Cats Protection does not swap, sell or share supporter details. As we receive no government funding, we rely on kind donations from members of the public in order to continue our vital services for cats. It is, therefore, really helpful if we can keep you informed about our essential work, campaigns, activities and fundraising. Our aim is that supporters will receive no more than six written requests for further support in a year, and no more than one phone call. We also send feedback about our work, so you can see the difference your support is making.

If you have any questions about a mailing you have received, or if you would prefer us not to contact you again, please contact a member of our Supporter Services team on FREEPHONE 0800 917 2287 (lines are open 9am-5pm Monday to Friday), email [Supporter.Services@cats.org.uk](mailto:Supporter.Services@cats.org.uk) or write to: Freepost Cats Protection.
